INTRODUCTION & CONTENTS

Welcome to the 2018/19 evonicfires brochure.

evonicfires is a brand of CK Fires Ltd, situated just outside of Stratford-upon-Avon, the birthplace of William Shakespeare.

Steeped in culture and history it is set in the beautiful rural Warwickshire countryside, on the banks of the river Avon.

Our fires come with the award winning super realistic LED evoflame® effect, now available on all of our appliances as standard and is identified throughout the brochure by the evoflame® logo.

At CK Fires Limited our policy is one of constant development and improvement. All products are protected by patents, registered design or intellectual property rights, which will be protected by CK Fires Limited. All specifications are correct at the time of publishing but are subject to change without notice.

CONTROL OPTIONS

All suites, both evoflame® and evoflame ultraHD® are operated by the App function or optional e-touch® control system.

The e-touch® App is available to download from the Apple App store or Android Google Play.

The e-touch® allows complete controllability of any floor or wall mounted suite product.

The control system is a fully portable, rechargeable, blue-tooth based touch screen unit, featuring a built-in thermostat, enabling you to regulate and maintain the selected room temperature with ease.
